

Orange

Orange : Data Mining

Fruitful and Fun

PPT Presentation (AI4T meeting in May) [2022-ai4t-Blaz Zupan.pdf](#) - AI4T

Papers (in English) <https://www.informatica.si/index.php/informatica/article/view/434/438>
https://www.researchgate.net/publication/289842192_Orange_Data_mining_fruitful_and_fun_-_A_historical_perspective <https://www.pythonpodcast.com/orange-with-janez-demsar-and-blaz-zupan-episode-142/>

Some Videlectures (in English): J. Demšar: ORANGE: Data Mining Fruitful and Fun (history of Orange) http://videlectures.net/is2012_demsar_orange/ B. Zupan: Data Science with the OrangeToolbox http://videlectures.net/AIindustrySeminar2019_zupan_data_science/ B. Zupan: Ethics in action http://videlectures.net/IRCAILaunch2021_zupan_ethics_action/

Presentation in Slovene from last week - it's very useful even if you don't understand the language. Janez is teaching this to pupils in primary school and according to him they learn very quickly and manage the basics. <https://video.arnes.si/watch/q0dny4lyr5h0>
